### Yadapa After School Art Club

Yadapa regrets to announce that our After School Art Club  
Is currently suspended following the closure of our previous home at  
The Crescent Resource Centre in New Malden.

The club will restart when we have found a new and hopefully permanent home for it.  
If you know of any available and suitable premises to re-home Yadapa please let Fran know!

For information, the After School Art Club used to run every Tuesday and Wednesday

From 4.30 pm to 6.30 pm.

After school art club does not receive any funding, so when it's running we are unable to  
offer transport or one to one support, so if you need support you would need to bring  
someone with you. Hopefully in the future we may get funding to cover this.

As usual, these art workshops would be offered to any young disabled person aged  
between 11 and 19 years old (inclusive) in the borough of Kingston upon Thames,

Everything Yadapa offers is free of charge so no one is excluded.

This is a drop in art club so you wouldn't have to come along for the full 2 hours

If you want to join when we hopefully re-start the club then:

Call Fran on 07968 060699 for more details.
